Short summary

On Thursday 12th and Friday 13th October 2023, the Institute of Tax Law and Economics of Leiden University organizes a PhD Seminar on “Perspectives on Tax Fairness: Reflections & Actions”.

This PhD Seminar is a joint initiative of the Institute of Tax Law and Economics at Leiden University, the Institute for Austrian and International Tax Law at WU (Vienna), Stockholm University and Uppsala University, in cooperation with the ERC funded GLOBTAXGOV (A New Model of Global Governance in International Tax Law Making) project carried out at Leiden University.

The seminar is organized for PhD candidates seeking to develop their understanding of international tax law. Participants are invited to have broadened discussions generated from their dissertations and other experiences. To prepare for the seminar, participants prepare a 20-minute presentation on their own work.
