

# Roundtable: The Side-by-Side Agreement — Law, Politics, and the Future of Global Tax

Where international law meets geopolitical reality,  
who sets the rules — and who pays the price?

Roundtable 10 June 2026 14-17 CEST (Central European  
Summer Time) Online event

## About

This high-level roundtable brings together academics, tax advisers, and policymakers from across four continents to examine the side-by-side agreement from every angle: its legal foundations, its impact on competitiveness, and its consequences for countries left negotiating from the margins.

**Registration is free.**

**Venue** Online via ZOOM. When registered, you will receive the zoom link.
