If you have any questions, please contact:
sekretariat-blum@uibk.ac.at

Univ. Prof. Dr. Daniel W. Blum, LL.M. (NYU), Department
of Business and Tax Law, University of Innsbruck

The aim of the second lecture of the Innsbruck Tax Lecture Series is to discuss the current status of the negotiations on the UN Framework Convention on International Tax Cooperation. With only one year of negotiations left, the key question is whether the process will fail or whether delegates can reach a consensus. This talk outlines where a potential sweet spot for consensus might lie and what it would entail.

For further insights see the speakers' recent comment:
Time for leadership on the United Nations Framework Convention on International Tax Cooperation – GLOBTAXGOV
